Split-week Tuition Rates for the 2011-2012 School Year

The tuition rates listed below apply to parents wishing to enroll their children for fewer than five days.

To assist your child in achieving the maximum benefit from our program and to assist our classrooms in normalizing optimally, our split-week options are scheduled on consecutive days. Having a classroom full of varying and disjointed schedules can cause a host of problems for the children and for the classrooms in general.

Two-Day Schedule: Mondays and Tuesdays

Three-Day Schedule: Wednesdays, Thursday, and Fridays

Four-Day Schedule: Mondays through Thursdays or Tuesdays through Fridays

Families who have been grandfathered in to an alternate schedule may continue to attend on their preferred days.

We also strongly suggest that families plan ahead when signing up for programs. If you feel you may end up increasing the number of days, you may run into space issues if you wait too long.

Please note that if your child is of Kindergarten age, you must first request administrative approval before enrolling your child in fewer than 4 days. We also strongly advise all Kindergarten children in being enrolled in an Extended Day program in order to enhance and reinforce the academic skills they are learning in the class.
