Mad Science provides students with fun, interactive and educational activities that instill a clearer understanding of science and how it affects the world around us. What do children do at a Mad Science After-School Club?

They get hands-on with science in the most imaginative and stimulating ways possible! Each class includes a cool take home item that relates to the day's activities.

This sessions classes include:

Shapes and Structures  
Magnetic Attraction  
My Body  
Let's Measure!  
Matter of Fact

Adventures in Air  
Laser Light  
Space Frontiers  
Digging for Dinos
