Coach Jonathan Schroer is an International Chess Master who has held the NC Championship many times over the last 20 years and is now the record holder for the most number of years as NC state champion!! Jonathan has taught at many national chess camps and is a highly sought chess instructor by local schools and tournament players across the Triangle area. Coach David High is a chess expert who has been teaching chess for several years. He is the 2009 high school state chess champion and is also the 2015 state co-champion.

We are very proud of our chess team and will soon have a page dedicated to their many accomplishments and progress. If your child is in our chess club, we encourage you to become a member of the Chess Hub in [MemberHub](#) for announcements on upcoming chess tournaments and other news.
