

The New School Montessori Center

Summer 2024 Program Overview

The New School Summer Program provides our pre-elementary (Nido, EY, and CH) children with the opportunity to continue their Montessori journey, whilst also enjoying a variety of fun theme-based activities. For elementary and MAP students, our summer camps provide a wide variety of fun, educational, and engaging week-long themes.

Please read through the information below to learn more about our summer camp programming and application process.

Summer Staffing

The summer session offers our teachers, interns, and assistants the opportunity to engage in training, creating materials, refining curriculum, and designing personalized programs for the upcoming academic year.

Consequently, the summer program is staffed with a rotation of various teachers and assistants. Please note that we cannot guarantee that your child's teacher will be present during summer. Additionally, CH children may be mixed with a different cohort than their regular classroom. However, the summer classroom assignments will remain consistent throughout the summer.

Daily Summer Schedules

- The school does not open for early care at 7:30am during the summer. However, we may offer early care between 8:00am and 8:20am for CH and elementary students, depending on interest. If interested, email billing@montessoricenter.org.
- Early care and after-school schedules are not available for Nido or Early Years.
- All programs begin at 8:20am.
- Half-day schedules for all ages end at 12:00pm.
- Full-day schedules for pre-elementary children end at 4:00pm.
- Full-day schedules for elementary students and CH Sibling Schedules end at 3:30pm.
- After-school ends at 4:30pm.

- Please note we are closed for July 4th. Additionally, there will be two early release dates (noon dismissal) during the summer on July 3rd and July 26th for all programs.
